

ABOUT US

The Kolping-Bildungswerk in cooperation with the Kolping-Erwachsenen-Bildungswerk Eichstätt stands for value-oriented educational work with a high level of practical relevance. For many years, we have been a reliable partner for schools, companies and authorities. Our team is characterized by cohesion, transparency and a strong sense of community.

As an educational institution, we offer numerous and varied advantages especially in the field of language courses and training facilities, particularly in terms of individual support, practical content and value-oriented learning. Participants benefit from a course concept that not only aims to pass the B1 examination, but also promotes sustainable language competence and skills for everyday life and the workplace.
